27 May 2019

EcoOst St. Gallen Symposium

How can long-term objectives and risks become part of today's decision-making? Public panel discussion about this year's topic "Capital for Purpose" at the Weiterbildungszentrum Holzweid

New Sessions

Interactive Sessions

Interactive Sessions offer a unique opportunity for intense exchange between participants. Smaller groups engage with experts and facilitators in an in-depth and solution-oriented discussion on equal footing.

Executive Roundtables

An exclusive format for our preferred and main partners, offering a platform for discussion about specific challenges and responsibilities for today's executives. Young leaders join the discussion and present their visions and ideas. All sessions are hosted by Dominic Barton.
